| PRINTED NAME OF RESPONSIBLE REQUESTOR: | | CONTACT INFORMATION (PHONE NUMBERS): (PRIMARY): (ALTERNATE): | | COMPANY NAME / ORGANIZATION: | | |
| EMAIL ADDRESS: | | | | | | |
| I understand that authorization to dig is conditional upon completing the entire form, compliance with the guidelines briefed, as well as compliance with all applicable OSHA, 29CFR Part 1926, Subpart P, AFMAN 91-203, and any state and local requirements. <i>I understand the exact location of a buried line may be located approximately four (4) feet on either side of the marked location and that I am required to pothole within this area.</i> I also understand that any size modifications to the dig site must be coordinated with the Work Clearance Administrator prior to proceeding to ensure all agencies are notified of change. | | | | | | |
| UTILITIES & OPERATIONS PERSONNEL - Review drawings for utility lines in excavation areas prior to coordinating. CONTRACTORS - If there is a utility located on the utility map in the area you are excavating that has not been marked, it is recommended you contact that utility agency directly to mark/ remark the area in question, call Customer Service 846-8222. SAFETY IS EVERYONE'S BUSINESS | | | | | | |
