

Small Business Profile Registration System

The Small Business Profile Registration System contains information on small and disadvantaged businesses that have interest in working with the National Oceanic & Atmospheric Administration (NOAA). The purpose of the database is to assist NOAA components in identifying potential small business sources. This office does not validate the data submitted by contractors and cannot ensure that information in the database is correct or current. NOAA DOES NOT KEEP LISTS OF VENDORS FOR ANY PARTICULAR SOLICITATION OR REQUIREMENT, IT IS UP TO THE VENDOR COMMUNITY TO REVIEW REQUIREMENTS POSTED BY NOAA THROUGH THE GOVERNMENT POINTS OF ENTRY.

For questions or problems regarding NOAA's Small Business Profile Registration System please contact the Small Business Specialist at NOAASB@noaa.gov.

Should you wish to include a capability statement with your submission please forward them to NOAASB@noaa.gov for inclusion with your profile (optional). File naming format should be "company name - date" and saved as a .pdf file.
